Luncheon for Ambassador Clark

25X1A

25X1A

1. This is just to inform you that I called 
 again today to determine the Director's
wishes in lunching with Ambassador Clark and
Dr. Wheelon on 18 January.

2. If the Director is not interested in the
luncheon session, I plan to find out what time he
will wish to talk to Clark and include Bud in that
meeting. (The DD/S&T session with 
Miller, ADW and yourself is a separate matter.)
Walt does not have the answer yet. I told him
that we would like to know asap because we have
 visiting on that day and have to
plan accordingly, including the possibility of a
luncheon.
